Electrophysiology Symposium

Friday, April 20, 2012

9 a.m. – 5 p.m.

Hilton Garden Inn

1501 South Neil Street, Champaign, IL
(Registration begins at 8 a.m.)

Five Hours of Category I CME Credit Available

Purpose: To educate physicians on the relatively new area of Electrophysiology in order to raise awareness of the specialty services that are now available and when to refer for these specialty services and devices.

Target Audience: This symposium is designed for Primary Care Physicians. Other physicians are welcome to attend.

Learning Objectives: *Upon completion of the activity, participants should be able to:*

1. List the arrhythmia issues commonly seen in primary care.
2. Describe the diagnostic work-up of arrhythmias.
3. Evaluate the role of catheter ablation and other evolving treatments.

***For more information or to reserve your spot for this event, please contact Lisa Cheely at
217.366.6083 or lcheely@christieclinic.com.***

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Department of Internal Medicine, University of Illinois College of Medicine at Urbana-Champaign and Christie Clinic Association. The University of Illinois College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Illinois College of Medicine designates this live educational activity for a maximum of 5 (five) *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
