

# MEET YOUR *Endocrinologist...*

## **JOHN STOKES, MD**

### **WHY I CHOSE ENDOCRINOLOGY**

*"The field of endocrinology is very small and uncommon so that in itself sets us apart as providers. I also believe that my interest in teaching my patients and researching sets me apart."*

**FELLOWSHIP:** Endocrinology and Metabolism

**RESIDENCY:** University of California, Irvine

**INTERNSHIP:** University of California, Irvine

**MD:** University of Illinois at Chicago

**CERTIFICATION:** American Board of Internal Medicine and Endocrinology and Metabolism

**PROFESSIONAL MEMBERSHIPS:** American College of Physicians, American Diabetes Association, American Medical Association, American Thyroid Society, Endocrine Society, American Association of Diabetes Educators, and International Society of Psychoneuroendocrinology.

### **DEPARTMENT OF ENDOCRINOLOGY**

*In the Department of Endocrinology, Dr. Stokes diagnoses and treats diseases of the glands and the endocrine system. He also helps patients affected by diabetes, thyroid disorders, hormonal imbalances, high or low metabolism, hypertension, infertility, menopause, and more.*

**HOSPITAL AFFILIATION:** Carle Foundation Hospital and Provena Covenant Medical Center

*Dr. Stokes enjoys water sports, hiking, backpacking, topography, and bicycling.*

*"I try to provide the best care that I can and remain up to date with the latest findings and research in order to incorporate what is best for my patients."*
