

MEET YOUR *Surgeon...* SURGEON

"I give personalized care to each and every patient, especially those with chronic diseases. I can sympathize with them and hopefully allay their fears concerning surgery for their condition."

SAMUEL J. FEINBERG, MD

WHY I CHOSE HEALTH CARE

"During college, I worked in a hospital in several positions where I could see medical providers giving care to patients, and I liked the ability to provide care and make people better, which got me started in wanting to apply to medical school."
