

# MEET YOUR *Physician Assistant...*

*"I always attempt to give the care I would want my family to receive. I would like the patient to feel they received the best care possible. Thought must be given to the information provided by the patient along with the clinical data obtained."*

## **JAMES CORNETT, PA-C**

### **WHY I CHOSE HEALTH CARE**

*"I felt becoming a provider would be a way to educate and give quality care to those in need. Seeing family members struggle with medical problems and health care in general was a driving force."*

*BS: Lakeview College of Nursing, Danville, IL*

### **DEPARTMENT OF CONVENIENT CARE**

*As a physician assistant in Christie Clinic's Convenient Care, James provides diagnosis and treatment of non-emergent conditions such as allergies, infections, colds, and more.*

*James and his wife, Mindy, have five children: Michele, Kimberly, Timothy, James, and Alyssa. James enjoys spending time with his family, coaching baseball, and running.*
