

MEET YOUR *Obstetrician/Gynecologist...*

"I try to care for each patient as I would hope to be cared for if I were the patient. I'm willing to go the extra mile for my patients."

MILLIE NELSON, MD, FACOG

WHY I CHOSE HEALTH CARE

"My mother had 12 children. I am her eldest child. Her obstetrician was our next door neighbor. I often tell my patients that I would rather deliver 12 children than have 12 children."
