

MEET YOUR *Obstetrician and Gynecologist...*

KEITH HAUG, MD, FACOG

MY INTEREST IN MINIMALLY INVASIVE SURGERY

"This specialty affords me the opportunity to help patients through surgery. In residency I quickly became interested in laparoscopy, and as a senior resident I received the award for 'Special Excellence in Endoscopic Procedures' in laparoscopic surgery. I continue to have a special interest in minimally invasive surgery such as laparoscopy and DaVinci robotic surgery which affords my patients both a much shorter hospital stay and recovery time in the event surgery should become required."

RESIDENCY: University of Illinois, Chicago

MD: Rush Medical College, Chicago, IL

JD: Loyola University, Chicago, IL

EDUCATION: Loyola University, Chicago, IL

CERTIFICATION: American Board of Obstetrics and Gynecology

PROFESSIONAL MEMBERSHIP: Fellow of the American College of Obstetrics and Gynecology, Illinois State Medical Society, Champaign County Medical Society

DEPARTMENT OF OBSTETRICS AND GYNECOLOGY

In the Department of Obstetrics and Gynecology, Dr. Haug treats diseases and disorders of the reproductive system and provides primary care for women. His special medical interests include maternity and minimally invasive surgery as well as all other aspects of the care of female patients.

HOSPITAL AFFILIATION: Carle Foundation Hospital, Provena Covenant Medical Center, and Kirby Hospital

Dr. Haug and his wife, Michelle, have been married since 1984 and reside in Champaign with their three children.

CHRISTIE CLINIC

Medicine for Your Life

www.christieclinic.com

"Obstetrics and Gynecology as a specialty was an easy choice for me. The miracle and joy of childbirth continues to amaze me today just as it did during my days in medical school. Additionally, the continuity of care which I have with a patient and her family and being part of watching their family grow is truly gratifying."
