

MEET YOUR *Physician Assistant...*

LAURIE TIBBS, PA-C

WHY I CHOSE HEALTH CARE

"I've always had a passion for the field of medicine. When I was in eighth grade, I was a candy striper. I worked in a nursing home part time when I was in high school. I also served as a nurse, EMT, and scrub tech before going to school to become a physician assistant."

BS: St. Louis University, St. Louis, MO, Medical Science/Physician Assistant Certificate

AA: Danville Area Community College, Danville, IL (Associate of Arts)

LPN: Danville Area Community College, Danville, IL

PROFESSIONAL MEMBERSHIPS: American Academy of Physician Assistants and Illinois Academy of Physician Assistants

DEPARTMENT OF FAMILY MEDICINE

As a member of Christie Clinic's Department of Family Medicine, Laurie specializes in the treatment of non-surgical diseases and disorders and wellness promotion for patients of all ages.

Laurie has lived in the Danville area her whole life. She has two grown daughters, whom she enjoys spending time with. She also likes to travel whenever she gets the chance.

"As a physician assistant in family medicine, I like treating the variety of patients I have. It's particularly enjoyable when I get to know an entire family because they all see me as their medical provider. I treat all of my patients how I would like to be treated."
