

MEET YOUR *Oral/Maxillofacial Surgeon...*

“When it comes to patients, quality of care and well-being become of utmost importance.”

VICTOR ESCOBAR, DDS, PhD

WHY I CHOSE HEALTH CARE

“I hold a PhD in human genetics and oral-facial genetics. As a geneticist, I saw many children with facial defects, and my role was to refer them for care. I wanted to be involved in their treatment rather than only being a passive observer. Oral maxillofacial surgery allows me to be directly involved in their treatment.”

FELLOWSHIP: John Peter Smith Hospital, Fort Worth, TX, Facial Cosmetic Surgery

RESIDENCY: Montefiore Medical Center, Bronx, NY, General Practice; Albert Einstein School of Medicine, Bronx, NY, Oral and Maxillofacial Surgery

DDS: Indiana University School of Dentistry, Indianapolis

PHD: Indiana University School of Medicine, Indianapolis, Medical Genetics

CERTIFICATIONS: Diplomate American Board of Dental Anesthesiology and International Association of Oral and Maxillofacial Surgeons (Fellow)

PROFESSIONAL MEMBERSHIPS: American Association of Oral and Maxillofacial Surgeons; International Association of Oral and Maxillofacial Surgeons; American Academy of Cosmetic Surgery; American Dental Society of Anesthesiology; American Academy of Oral Medicine; American Dental Association; Illinois State Dental Society; Illini District Dental Society; American Association of Dental Schools; Sigma Xi, The Scientific Research Society; and American Association of Military Surgeons

DEPARTMENT OF ORAL/MAXILLOFACIAL SURGERY

As a surgeon in Christie Clinic’s Department of Oral/Maxillofacial Surgery, Dr. Escobar diagnoses and surgically and medically treats diseases, injuries, and defects of the mouth, jaw, and associated structures. He also treats hard and soft tissues of the oral and maxillofacial regions for both functional and/or aesthetic reasons. Dr. Escobar can also provide dental implants.

HOSPITAL AFFILIATION: Provena Covenant Medical Center and Gibson Area Hospital
