Items to keep in mind when selecting a plan:

- Your Christie Clinic provider may order laboratory tests that will be processed by an outside lab facility and you may be billed directly by that facility. Outside laboratories include, but are not limited to: Quest Diagnostics, Mayo Clinic, Carle Foundation Hospital or Clariant Diagnostics.
- Some Christie Clinic providers perform surgeries and procedures at Carle Foundation Hospital and the Champaign Surgery Center. Services performed at these facilities will be billed by Carle and you may be billed directly by that facility.
- Please note: While we strive to provide accurate and up-to-date information, **it is crucial to verify the details directly with your chosen health plan.** For the most current information, please contact your benefit administrator or visit the [State of Illinois FY2026 Benefit Choice Resource Page](#).
