

Meet Your Physician Assistant

Morgan Montoya, MMS, PA-C

Why I Became a Medical Provider

"Since I was a little girl, I wanted to work in the healthcare field. I chose dermatology, because I struggled with acne as a teenager and really wanted to help others who deal with similar skin issues and make a difference in people's lives."

MMS

Physician Assistant Studies, Northwestern University,
Downers Grove, IL

BS

Health Science, Bradley University, Peoria, IL

Certification

Board certified since 2007 by the National Commission
on Certification of Physician Assistants

Professional Memberships

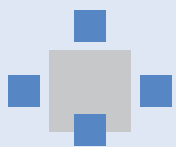

Society of Dermatology Physician Assistants

Department of Dermatology

As a Physician Assistant in Christie Clinic's Department of Dermatology, Ms. Montoya specializes in both medical and cosmetic dermatology. She treats patients with acne, warts and other miscellaneous skin issues. She also enjoys performing various cosmetic procedures such as BOTOX® Cosmetic, facial fillers, microneedling and CoolSculpting®.

In my spare time, I enjoy spending time with my family and friends. I love being outdoors, but also enjoy watching movies, crafting and baking.

I have been working as a Dermatology PA since 2007. While I thoroughly enjoy my role as a medical and surgical PA, I have a special interest in cosmetic dermatology. I love to help people look and feel their very best!

CHRISTIE CLINIC

We listen. We care.
