

# Meet Your Rheumatologist

## Catherine (Katie) Wrigley, MD

*"I appreciate the opportunity to get to know my patients and help them understand their condition and treatment options, so they feel empowered to take care of themselves and have the best quality of life they can."*

### Why I Chose My Speciality

"Rheumatic diseases can be difficult to diagnose, and often lead to chronic, complex illness, which can involve the whole body. I like to listen to my patients describe their unique experience and examine them to figure out which symptoms are important diagnostic clues."

### Medical School

University College Dublin Medical School, Dublin, Ireland

### Residency and Fellowship

University of Cincinnati Medical Center, Cincinnati, OH, Internal Medicine and Rheumatology

### Board Certification

Internal Medicine, Rheumatology

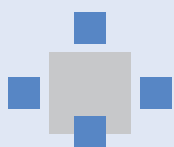

### Professional Memberships

American Medical Association (AMA), American College of Rheumatology (ACR)

### Department of Rheumatology

In Christie Clinic's Department of Rheumatology, Dr. Wrigley treats musculoskeletal disease and systemic autoimmune diseases like rheumatoid arthritis, psoriatic arthritis, lupus, and other inflammatory conditions.

*Originally from Cincinnati, my dad is from Ireland and we moved there when I was twelve. I went to medical school in Ireland, then moved to Australia for experience in a different healthcare system. I returned to Cincinnati for residency and fellowship. I feel at home in the Midwest, but appreciate the travel I have gotten to do as it has helped me become very adaptable to new people and places! In my free time, I like to spend time with my husband and two children. We love exploring the outdoors.*

**CHRISTIE CLINIC**

*We listen. We care.*
