

Meet Your Nurse Practitioner

I believe that patients have the right to make informed decisions regarding choices that affect their health. Ultimately patients make better choices the more information they are provided. As a healthcare provider, it is my responsibility to provide them with the information necessary to make those informed decisions.

KATY SCHEIDING, APN, FNP-BC

Why I became a Nurse

"I think some people are born with a natural passion for caring for others, and I believe this is what led me to nursing. I believe serving patients is about more than just caring for the illness, but about serving the entire patient and family system in a holistic manner. I come from a large extended family, and I want my patients to feel that I care for them as I would for any member of my own. The impact a healthcare provider can have on one patient or family's life is a tremendous honor with a great responsibility."

MS

Mennonite College of Nursing at Illinois State University, Normal, IL

BS

Mennonite College of Nursing at Illinois State University, Normal, IL

Certification

American Nurses Credentialing Center

Sigma Theta Tau, International Nursing Honor Society; American Academy of Nurse Practitioners; Illinois Nurses Association; Illinois Society for Advanced Practice Nursing

Department of Obstetrics and Gynecology

As a nurse practitioner in Christie Clinic's Department of Obstetrics and Gynecology, Katy specializes in providing primary healthcare for women. In collaboration with department physicians, Katy performs routine gynecologic examinations, evaluates and treats minor illnesses, and provides routine prenatal and postpartum care.

Katy enjoys spending time with her family, including her husband, Wyatt, and their three sons John, Ethan and Aden. Katy is proud to have been raised in the Champaign-Urbana area by loving and devoted parents and looks forward to serving this incredible community.
