Department of Physical Therapy

In the Department of Physical Therapy, Lizandro provides comprehensive care for patients who require treatment in all phases of physical therapy. As a certified vestibular rehabilitation therapist, Lizandro specializes in vestibular/concussion rehabilitation as well as orthopedic injuries.

Language

Fluent in English and Spanish

I like to enjoy my time out side of work exercising, staying active outdoors, cooking, watching sports and supporting my favorite sports teams!

I strive to empower my patients to be an active participant in their rehabilitation to improve function and provide them the resources they need to optimize their health.
