

# MEET YOUR Foot and Ankle Surgeon

*“I grew up going to Christie Clinic for all of my healthcare needs. Prior to attending podiatry school, I witnessed the amazing team environment when I had the opportunity to work with the foot and ankle surgery team, which is what brought me back to Christie Clinic.”*

## Kurt Kibler, DPM

### Why I Chose Health Care

Initially I was drawn to the profession for the opportunity to treat athletes' foot and ankle conditions, but my interest grew when I saw the diversity of issues that people presented with, making each day unique and exciting.
