

Meet Your Orthopedic Surgeon

David Anderson, MD

Why I Chose Health Care

Growing up, I sustained various sports related injuries and as a result had many positive experiences with medical providers. These interactions drove my desire to pursue a career in medicine and specifically orthopedic surgery.

Fellowship

Sports Medicine and Shoulder Surgery, Johns Hopkins University, Baltimore, MD

Residency

Orthopedic Surgery, Rush-Presbyterian-St. Luke's Medical Center, Chicago, IL

MD

Rush Medical College, Chicago, IL

Professional Memberships

American Academy of Orthopaedic Surgeons, Irish American Orthopaedic Society

Department of Orthopedics & Sports Medicine

In the Department of Orthopedics & Sports Medicine, Dr. Anderson evaluates all types of orthopedic injuries and commonly sees injuries and conditions of the knee, shoulder, and upper and lower extremities. He also provides care for athletic injuries and fractures.

Hospital Affiliation

Carle Foundation Hospital, Carle BroMenn Medical Center

Outside the clinic, I can be found spending time with my family, biking and hiking.

I take joy in forming bonds with my patients. I involve them in every step of their treatment journey. My approach involves collaborating with each patient to build a personalized diagnosis and treatment strategy tailored specifically to their needs.
