

Meet Your Physician Assistant

Ellen Flora, MPH, PA-C

Why I Chose Health Care

I wanted a career where I could help people improve their health and quality of life. I truly love helping my patients feel better.

Education

Master of Science in Physician Assistant Studies, University of the Cumberlands, Williamsburg, KY

Master of Public Health, University of Kentucky, Lexington, KY

Bachelor's Degree Environmental Sciences, University of Kentucky, Lexington, KY

Certifications

National Commission on Certification of Physician Assistants

Professional Memberships

National Commission on Certification of Physician Assistants
Society of Dermatology Physician Assistants

Department of Dermatology

In the Department of Dermatology, Ellen evaluates, diagnoses and treats patients of all ages who are suffering from a variety of skin conditions.

In my free time, I enjoy traveling and exploring new places, practicing yoga, hiking and spending time outdoors, reading, and spending time with family and friends.

I want to help my patients feel good about themselves in their skin and help improve their confidence whether that be through cosmetic or medical treatments.
