

# Meet Your Neurologist

## Mingtao Wang, MD

*I want my patients to feel comfortable while they are in my office. Having an open, honest conversation about their health care is very important to me.*

### Why I Chose Health Care

"Several members of my family were physicians so I've known that I wanted to be a physician since I was a child. It's always been my goal to help others."

### Medical School

Soochow University Medical School in Suzhou, China

### Residency

The University of Medicine and Dentistry of New Jersey (UMDNJ)

### Fellowship

Clinical Neurophysiology/EMG at University Hospital of SUNY in Syracuse, New York

### Certification

Board Certified Neurologist

### Professional Organizations

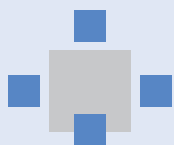

University of Illinois College of Medicine

### Department of Neurology

In the Department of Neurology, Dr. Wang's focuses on all the disorders of the nervous system, mainly the diagnosis and treatment of neuromuscular disorder, such as neuropathy, radiculopathy and carpal tunnel syndrome with NC/EMG study, EEG study, Botox injection for intractable migraine headaches, dystonia; multiple sclerosis, Parkinson's disease and seizure disorder, etc.
