

# Meet Your Physical Therapist

# Amanda Vadeboncoeur, PT, DPT

## Why I Chose Health Care

"I was inspired to get into health care because I was able to see the benefit physical therapy had on my grandparents. I grew up being very physically active, was involved in sports and I always wanted to know why someone was in pain and how I could help them. I knew I enjoyed working with my hands and solving problems so I felt physical therapy was the path for me."

## Medical School

Doctorate of Physical Therapy, Indiana State University, Terre Haute, IN

## Education

Bachelor of Science, Kinesiology, University of Illinois, Urbana-Champaign, IL

## Certification

CPR Certified  
Graston Certified  
LSVT-Big Certified  
Rock Tape Certified

## Professional Memberships

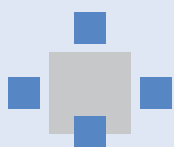

American Physical Therapy Association

## Department of Physical Therapy

In the Department of Physical Therapy, Amanda provides comprehensive care for patients who require treatment in all phases of physical therapy. She provides preventative injury and education, conditioning, and training, as well as treatment and rehabilitation.

*Outside of work I enjoy spending time with friends and family, playing with my dog, and being outdoors.*

*I am an East Central Illinois native and The Christie Foundation has been a major supporter in my professional education. I am proud to work for an organization that gives back to the community.*

**CHRISTIE CLINIC**

*We listen. We care.*
