

Meet Your Endocrinologist

Surina Kumar, MD

Why I Chose Health Care

"I chose medicine as I wanted a career that would give my life purpose and challenge me intellectually."

Medical School

Aureus University School of Medicine, Aruba

Education

Northwestern University, Evanston, IL

Professional Memberships

American Association of Clinical Endocrinology

American Medical Association

Endocrine Society

Department of Endocrinology

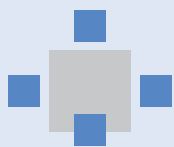

In the Department of Endocrinology Dr. Kumar specializes in diabetes management, thyroid nodules and disorders, pituitary disorders and bone health for adults.

Hospital Affiliation

Carle Foundation Hospital

In my spare time, I enjoy playing board games, hiking and painting.

I enjoy the challenge and continuity of care of clinical endocrinology, especially patients with diabetes and obesity.

CHRISTIE CLINIC

We listen. We care.
