

Meet Your Hematologist/ Oncologist

Krishnan Srinivasan, MD

Why I Chose Health Care

"I chose my specialty as it is an ever-changing field of medicine, increasing in complexities with more and more high tech and targeted therapies. "

Fellowship

Hematology/Oncology and Bone Marrow and Stem Cell Transplantation; University of Illinois/Michael Reese Hospital & Medical Center, Chicago, IL

Residency

Grant Hospital, Chicago, IL

Medical School

Friendship University, Moscow, Russia

Certification

Board Certified – Hematology

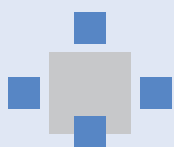

Board Certified – Internal Medicine

Board Certified – Oncology

Department of Hematology/Oncology

In the Department of Hematology & Oncology, Dr. Srinivasan specialize in the diagnosis and treatment of cancers and blood disorders.

As a board certified hematologist and oncologist, I understand the challenges that my patients face. I believe that no matter how serious the diagnosis is, there is always hope.

CHRISTIE CLINIC
