

Meet Your Internal Medicine Physician

Ihsan Habib, MD

Why I Became a Medical Provider

"The medical field has always been interesting to me. I chose to go to medical school to serve my community in that field and because of the humane aspect of the profession."

Residency

Franklin Square Medical Center, Baltimore, MD

Internship

The George Washington University Hospital, Washington DC

BS

Jordan University of Science and Technology, Irbid, Jordan

Certification

The American Board of Internal Medicine

Department of Internal Medicine

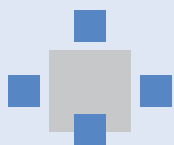

In the Department of Internal Medicine, Dr. Habib diagnoses and treats non-surgical illnesses in adults.

Hospital Affiliation

Carle Foundation Hospital and Provena Covenant Medical Center

In his spare time, Dr. Habib enjoys reading, watching movies and hiking. Soccer has always been his favorite.

I believe that meticulous follow-up and building a good rapport with my patients are the key to a successful long term relationship. In each individual patient situation I always try to keep a positive attitude.
