

# Meet Your Internal Medicine Physician

*I strive to best serve my patients by committing myself to continually learning about the latest treatments, illnesses, and medications. It is important to me that my patients sense that I am dedicated to helping and healing them as best I can and that I am caring for them as I would my own friend or family member.*

## Tegan McCormick, DO

### Why I Chose Health Care

"I have always had a passion for helping others, and a keen interest in science and medicine, so becoming a provider was a natural choice. I have drawn inspiration from many people I've encountered in my life, particularly those who demonstrate selflessness and courage during difficult times."

### Residency

Saint Vincent Hospital, Indianapolis

### DO

Lake Erie College of Osteopathic Medicine, Pennsylvania

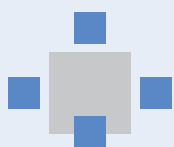

### Professional Memberships

American College of Physicians

### Department of Internal Medicine

As a physician in the Department of Internal Medicine, Dr. McCormick diagnoses and treats non-surgical illnesses in adults, as well as provides regular health examinations and wellness information

*When not working Dr. McCormick enjoys traveling, watching movies, and spending time with her husband and their family.*

**CHRISTIE CLINIC**

*We listen. We care.*
