

Meet Your Cardiologist

Jason Trager, DO, FACC

Why I Chose Health Care

My intent is to ensure that my patients are able to properly manage their health with my guidance and to provide them with the medical attention they require in times of need. I believe strongly in treating both the disease and the patient.

Fellowship

Cardiology, Michigan State University/Ingham Regional Medical Center, East Lansing, MI

Residency

Michigan State University/Ingham Regional Medical Center, East Lansing, MI

MD

Michigan State University College of Osteopathic Medicine, East Lansing, MI

Bachelor's Degree

Physiology, Michigan State University, East Lansing, MI

Certifications

American Osteopathic Board of Internal Medicine; Cardiology Recertification, American Osteopathic Board of Internal Medicine, Board-certified in Nuclear Cardiology, Active Physician's License in Illinois and Michigan, Fellow in the American College of Cardiology, Fellow in the American College of Osteopathic Internists

Professional Memberships

American College of Cardiology, American Society of Echocardiography, American Society of Nuclear Cardiology, American College of Osteopathic Internists

Department of Cardiology

In the Department of Cardiology, Dr. Trager specializes in general cardiology, with an emphasis in prevention and diagnostic testing. He uses non-invasive procedures like nuclear stress testing, echocardiography, and Holter monitoring to identify heart problems and detect diseases.

In my free time I enjoy Scuba diving, astronomy and hold a black belt in Shotokan Karate.

Jason Trager, DO, FACC
Department of Cardiology

Christie Clinic on University
101 W University Ave.
Champaign, IL 61820

Christie Clinic at The Riverfront
108 Robinson St.
Danville, IL 61832
