

Meet Your Internal Medicine Physician

Sabrina Khan Jones, MD

I chose primary care because it gives me the ability to create a lasting relationship with my patients and individualize their care.

Why I Chose Health Care

"I have always been interested in connecting with people. To me, healthcare and in particular primary care medicine, is an excellent way to get to know people and make a meaningful and lasting impact in their lives."

Residency

Carle Foundation Hospital, Urbana, IL

MD

Dow International Medical College, Karachi, Pakistan

Professional Memberships

American College of Physicians; American Medical Association; Infectious Diseases Society of America; HIV Medicine Association

Department of Internal Medicine

In the Department of Internal Medicine, Dr. Khan Jones provides comprehensive medical care for patients 18 years and older with an emphasis on wellness and preventative care. Dr. Khan Jones is trained in the diagnosis, evaluation and treatment of medical conditions that commonly occur from late adolescence through the geriatric years. Her expertise includes the ability to diagnose and treat acute illness as well as helping patients to manage chronic medical conditions such as asthma, diabetes and high blood pressure.

Hospital Affiliation

Carle Foundation Hospital

I love reading books, watching movies and going on foodie adventures with my husband.

CHRISTIE CLINIC

We listen. We care.
