

# Meet Your Audiologist

## Megan Wallace, AUD

### Why I Chose Health Care

"I enjoy the variety of patients that I get to interact with in my position. People oftentimes underestimate the impact hearing loss can have on a person, so I am grateful I get to help those individuals in my role."

### AuD

Northern Illinois University, Dekalb, IL

### BS

Illinois State University, Normal, IL

### Certification

Licensed Audiologist in the State of Illinois

### Professional Memberships

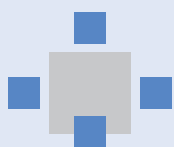

American Speech and Hearing Association

### Department of Audiology

In the Department of Audiology, Megan Wallace tests and treats patients of all ages for hearing and balance disorders through a variety of evaluations. She specializes in hearing aids, pediatrics, and cochlear implants.

*Outside of work, I enjoy spending time with my husband and daughter, cooking and doing yoga.*

*I truly enjoy helping my patients and their families fully experience their world. I can help patients of all ages with any hearing and balance disorders.*
