

## Meet Your Family Doctor

# Heidi L. Gaddey, MD

### Why I Chose Health Care

"In medical school, I realized I found my joy meeting patients of all ages. I also loved getting to know families and getting to see them over multiple visits. Family medicine was therefore a natural fit."

### Residency

David Grant Medical Center, Travis AFB, CA.

### Medical School

Southern Illinois University School of Medicine, Springfield, IL.

### Certification

American Board of Family Medicine

Fellow, American Academy of Family Physicians

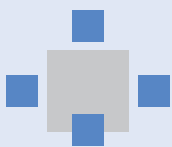

Associate Professor, Uniformed Services University of the Health Sciences

### Department of Family Medicine

In the Department of Family Medicine, Dr. Gaddey provides comprehensive, integrated care for patients of all ages with a special interest in women's health and adolescent care. In addition to diagnosing and treating illness, she also provides preventative care including routine checkups, health-risk assessments, immunizations and screening tests.

*Outside of the clinic, I enjoy spending time with my husband, our 3 daughters and our family. I also enjoy camping, hiking, biking, fishing and am an avid antique collector.*

*I love that I get to experience, through my patients, all aspects of life and hopefully help them as they travel that journey.*

**CHRISTIE CLINIC**

*We listen. We care.*
