

Meet Your Nurse Practitioner

Kyle Kappes, NP

Why I Chose Health Care

I have always loved taking care of people and wanted to make a difference in the community.

MSN

Bradley University, in Peoria, IL, Family Nurse Practitioner

AN

Parkland College, Champaign, IL, Nursing

BS

University of Illinois, Urbana-Champaign, IL,
Agricultural, Consumer and Environmental Sciences

Professional Memberships

American Academy of Nurse Practitioners

Department of ENT

In the Department of ENT, Kyle evaluates and treats ear, nasal and sinus disorders, as well as evaluation and treatment of the neck and throat.

Hospital Affiliation

Carle Foundation Hospital

I like kayaking, fishing, golf, and watching my kids play sports.

I enjoy doing anything outside with my family. Spending time with my wife.

When I first started at Christie Clinic, I worked in ENT as a nurse. I always thought the specialty was interesting and something I could see myself doing for a long time.
