

# Meet Your Vascular Surgeon

*I chose vascular surgery because it allows me to be an expert in every part of the human body while also providing people options to improve their quality of life.*

CLINIC**

## Mark D. Saatzer, MD, RPVI

### Why I Chose Health Care

I wanted to pursue a career in health care because I had multiple personal family losses to stroke and heart attacks and I dedicated myself to trying to prevent those diseases in others if I could.

### Residency

Integrated Vascular Surgery, Carle Foundation Hospital, Urbana, IL

Surgery, Riverside Community Hospital, Riverside, CA

### MD

Oakland University William Beaumont School of Medicine, Rochester, MI

### Bachelor's Degree

Biological Sciences, Chapman University, Orange, CA

### Certifications

RPVI (Registered Physician in Vascular Interpretation)

### Department of Vein & Vascular

In the Christie Clinic Vein & Vascular Center, Dr. Saatzer provides vascular services for all vascular disorders, including peripheral vascular disease, aneurysms, stroke, varicose veins, dialysis access, poor circulation and other diagnoses related to the arteries and veins. He has a special interest in carotid disease, peripheral arterial disease, and venous disease.

### Hospital Affiliation

Carle Foundation Hospital

*Outside of work, I enjoy golfing, baseball, softball, running, and history.*
