

Meet Your Foot and Ankle Surgeon

Kurt Kibler, DPM

Why I Chose Health Care

Initially I was drawn to the profession for the opportunity to treat athletes' foot and ankle conditions, but my interest grew when I saw the diversity of issues that people presented with, making each day unique and exciting.

Residency

Grant Medical Center, Columbus, OH

DPM

School of Podiatric Medicine at Temple University, Philadelphia, PA

BS

Elmhurst College, Biology

Professional Memberships

American Podiatric Medical Association; American College of Foot and Ankle Surgeons; Illinois Podiatric Medical Association

Department of Foot & Ankle Surgery

As a member of Christie Clinic's Department of Foot & Ankle Surgery, Dr. Kibler specializes in the treatment of elective forefoot and rear-foot reconstructive surgery, as well as sports medicine and trauma.

Hospital Affiliation

Carle Foundation Hospital and Sarah Bush Lincoln Health Center

I enjoy spending time with my wife, son and our two dogs. I also try to find time to work out, play golf and cheer on the Fighting Illini.

I grew up going to Christie Clinic for all of my healthcare needs. Prior to attending podiatry school, I witnessed the amazing team environment when I had the opportunity to work with the foot and ankle surgery team, which is what brought me back to Christie Clinic.
