

Meet Your General Surgeon

Nirmal Gokarn, MD, FACS

Why I Chose Health Care

"As a physician we often comfort patients by presenting them a treatment plan by prefacing, 'if I were treating my family...'; I strive for every moment as a physician to stay true to those words."

Residency

General Surgery, Albert Einstein School of Medicine
Montefiore Medical Center, Bronx, NY

Medical Degree

Wayne State University School of Medicine, Detroit, MI

Certification

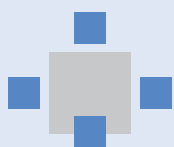

Board Certified – General Surgery

Department of General Surgery

In the Department of General Surgery, Dr. Gokarn specializes in minimally invasive surgeries including hernia repairs.

At home, I enjoy spending time with my family, playing in the park with my son, sampling cuisines and meeting neighbors and friends.

I treat every patient and perform every operation as if they were a part of my family.
